

RECOGNITION OF PRIOR LEARNING (RPL)
RPL Information Brochure

	<i>Why study for what you already know?</i>
	<i>Are you a person with skills and no certificate?</i>
	<i>Do you work in the informal sector?</i>
	<i>Are you willing to get Certified?</i>

WE ARE LOOKING FOR YOU

Courses and Assessment available in the following areas:

1. CCTV Technology
2. Electrical Installation
3. Electrical Alarm Security System Technology
4. Solar PV Installation
5. Engine Technology
6. Food and Beverage
7. Fashion and Apparel Design
8. Masonry
9. Plumbing

The Kisumu National Polytechnic RPL department will assist in:

Assessing and acknowledging existing knowledge, skills, competencies, and experiences gained in the informal and non-formal learning of the RPL Candidate.

Providing RPL Candidate with an opportunity to have their prior learning recognized and credited towards formal qualifications, certifications, or credentials.

Particularly important for adults and professionals who have acquired knowledge and skills through work experience, self-directed learning, or other non-traditional educational paths.
