**RE: CLARIFICATION ON ELIGIBILITY REQUIREMENTS – ITT CLAUSE 11.1  
PROPOSED POWER HOUSE COMPLETION WORKS AND ADMINISTRATION  
BLOCK MECHANICAL INSTALLATIONS WORK AT THE REGIONAL FLAGSHIP  
TVET INSTITUTE FOR TEXTILE TECHNOLOGY KE-KISUMUPOLY-CW-RFB**

This clarification is issued pursuant to Clause 11.1 of the Instructions to Tenderers (ITT) of the above-referenced tender document.

The Kisumu National Polytechnic has noted queries and requests for clarification from bidders regarding the eligibility and mandatory requirements applicable to this tender, specifically concerning NCA Electrical Installation Works registration and EPRA Electrical Contractor Licensing (Class A).

We hereby clarifies as follows:

1. In accordance with ITT Clause 11.1, only the eligibility and qualification requirements expressly stated in the tender document shall apply for purposes of tender evaluation and determination of responsiveness.
2. NCA registration for Electrical Installation Works is NOT a requirement for this tender.
3. EPRA Electrical Contractor License Class A is NOT a requirement for this tender.
4. Consequently, bidders shall not be disqualified for lack of NCA Electrical Installation Works registration or EPRA Class A licensing, provided they meet all other eligibility, technical, and financial requirements as stipulated in the tender document.
5. Bidders are therefore advised to strictly comply with the requirements as set out in the tender document, and no additional requirements outside those specified under ITT Clause 11.1 shall be imposed during evaluation.

This clarification forms an integral part of the tender document and shall be read together with the Instructions to Tenderers. All other terms and conditions of the tender remain unchanged.

Kindly take note and be guided accordingly.

Yours faithfully,  
Catherine Kelonye
