## ADDENDUM NO. 1

### **RE: CORRECTION OF BID BOND AMOUNT AND ADDITIONAL REQUIREMENT FOR AUDITED FINANCIAL STATEMENTS**

**Tender Reference:** TKNP/T/SOLAR/2025/2026/04

**Tender Description:** Supply, Delivery, Installation, Testing and Commissioning of a Hybrid Solar System.

The Kisumu National Polytechnic wishes to notify all prospective bidders of the following amendments to the above-mentioned tender document. This addendum forms an integral part of the tender document and shall be read and construed as one with the original bidding document.

#### **1. Correction of Bid Bond Amount**

It has come to our attention that there was a discrepancy in the Bid Bond amount indicated in the tender document, where the figures and words were not consistent.

**The correct Bid Bond amount shall be as follows:**

- **Amount in Figures:** KES 800,000.00
- **Amount in Words:** Eight hundred thousand shillings only

All bidders are required to submit bid securities strictly in the corrected amount as indicated above. Any bid submitted with a non-compliant bid bond shall be considered non-responsive.

#### **2. Provision of Audited Financial Statements**

In addition to the requirements already provided in the tender document, bidders are hereby required to submit:

- **Certified copies of audited financial statements for the last three (3) consecutive financial years (2025, 2024 and 2023)**

AN ISO 9001:2015 CERTIFIED INSTITUTION

**All Correspondence must be addressed to the Principal**

The audited financial statements must

- Be duly signed and stamped by a certified auditor,
- Demonstrate the financial capacity of the bidder to undertake the assignment.

Failure to provide the above documentation shall render the bid non-responsive.

### 3. Clarification

All other terms, conditions, and requirements of the tender document remain unchanged.

Bidders are advised to acknowledge receipt of this addendum and ensure compliance when preparing their submissions.

Thank you

CATHERINE KELONYE
